

2014 Staking Workshops

DNR invites authorized stakers and their agents to informational staking workshops. Alternate drawing winners are also invited. The workshops present information on participating in the Remote Recreational Cabin Sites program, including staking according to instructions, filing your lease application, and leasing then purchasing your parcel. The workshop will also answer your questions about using GPS units and compasses for staking.

- ☐ No reservation necessary.
- ☐ All sites include free parking. In Anchorage, park in the Linny Pacillo Parking Garage on E Street between 6th and 7th Avenues. Bring your parking ticket with you into the Atwood Building. It will be validated by the security guard in the lobby when you leave. You will not need a parking ticket at Wasilla and Fairbanks locations.
- ☐ Please bring your staking packet, your compass, and your GPS unit if you are planning to use one.
- ☐ Workshop presentation materials will be posted online.
